

STEP-BY-STEP GUIDE: Online Banking

How to set up travel notifications

Step 1: Locate your card

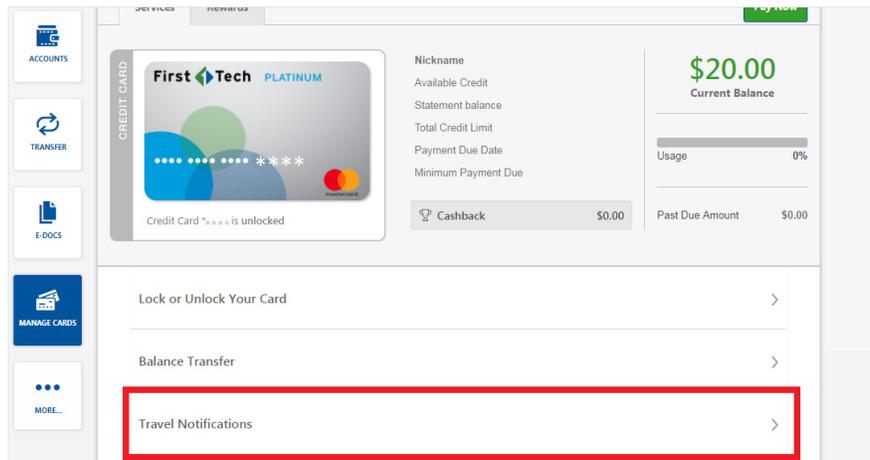

Log in to Online Banking and click on the MANAGE CARDS widget in the menu on the left. If you don't see the MANAGE CARDS widget, you can find it by clicking the MORE option. Next, locate the card you want to use during your travels by referring to the last four digits of the card. To access that card's features, simply click on the image of the card.

Step 2: Enter travel dates

You will see a tab labeled Travel Notifications. Click the arrow on the right to open the dropdown menu and begin filling out information about your travel plans. Click the yellow calendar icon to pick your departure and return dates.

The 'Travel Notifications' form is shown in a modal window. It features a progress indicator on the left with four steps: 1. Dates, 2. Destination, 3. Contact, and 4. Terms & Conditions. The 'Dates' step is currently active and highlighted. It contains two input fields: 'Departing on' and 'Returning on', both with a placeholder 'MM/DD/YY' and a yellow calendar icon. A grey informational box at the bottom right of the form states: 'If you need to cancel or modify the notifications, please give us a call at 855.855.8805.' At the bottom of the form, there are two buttons: 'Cancel' and 'Submit'.
